ABOUT US

The Chicago Defender is a multi-media content provider of news, information and events that cover the interests of the urban African American community with culturally relevant content not regularly serviced by mainstream media. Founded in 1905, The Chicago Defender celebrated its 114th Anniversary in 2019 and was recognized nationally as the 2nd most widely read and best African-American Newspapers by Nielson and Essence Survey 2014. In July of 2019, The Chicago Defender transitioned from a printed newspaper into a digitally-focused content platform dedicated to online editorial, premiere events, custom publishing, and archival merchandising.
